

## **AMSC ATTENDANCE BY GS-11s**

We know that AMSC graduates are the most important spokespersons for the College. You become the information source for those from your organization or installation interested in learning about AMSC or applying for admission. Because of this, we understand that it is important to provide updates on a variety of College related topics.

You may have heard that the Civilian Personnel Management Directorate announced that "exceptional" GS-11s could apply for Class 95-2 and, in fact, for future classes. We would like to clarify this message and would appreciate your assistance in disseminating the information. Exceptionally well qualified GS-11s will be considered on a case-by-case basis. Along with their applications, they must submit a request for waiver to the eligibility criteria (GS 12- 14s). We anticipate these GS-11s to be those individuals at local posts, camps, or stations who have positions of great responsibility.

We are pleased to have the opportunity to provide professional development to this very select group of GS-11s who have proven their leadership potential.

## **AMSC BROCHURE**

Something new accompanies your copy of *Visions* this time. We have developed an AMSC brochure to publicize the College. We received the first printing just before going to press on *Visions*; graduates are the first to receive a copy. This brochure will give a synopsis of what AMSC offers, to include the Garrison Precommand Course and the General Officer Installation Commanders Course. We hope you will share the brochure with a potential AMSC candidate.

Also enclosed is an application information packet to aid the potential candidate in the application process. This information has been extracted from the PERSCOM Catalog to speed the application process.

Help us spread the word about the College; share these with a colleague.
